

Raising the Roof: A Night to Remember at Young Voices!

What an incredible experience we had yesterday at the Young Voices Concert! It was truly a night to remember, filled with music, dance, and thousands of smiling faces.

We are absolutely bursting with pride at how our children performed. It is a very long and tiring day, but their energy and enthusiasm never faltered. More importantly, they were a true credit to the school.

It was wonderful to see them living out our Rainbow Values in every aspect of the trip. From supporting one another during the rehearsals to showing respect to the Young Voices team and other schools, they represented us perfectly. They definitely showed the Rainbow Value enjoyment! The memories created—singing alongside thousands of other children in a massive arena—will last a lifetime.

I would like to give a massive thank you to the staff team who made this experience possible, both the staff on the day, those supporting the rehearsals each week and the administration of the event in the office. Thank you also to families who have supported the children with rehearsing the songs, and to those who were able to come up to the concert and support.

The final thank you and well done has to go to our amazing choir—you were superstars!

Civic Award update: The Year 6 Civic children have been working hard on all areas of their Torbay and Devon Civic Awards. Holly and Issy in 6NS have both completed a walk of 30 miles in a month to raise money for a charity supporting individuals with Motor Neurone Disease.

Holly raised £240 and Issy raised £165 - a total of £405! The girls said, 'It was hard but we did it because we wanted to support a charity, MNDA'. Mrs Nowell and the Year 6 team are very proud of the girls.
