

Summer fair: firstly, thank you to everyone for your generous donations and supporting the summer fair in our wonderful tropical summer. Even though it was a definite squash and a squeeze, there was a great atmosphere in school on Friday night. We are grateful to Alfie and Hallie, the judo demo, the Morris Dancers and the school choir for their performances. A huge thank you must go to the team of ESA volunteers who planned the event, changed the plan very quickly to adapt for the unreliable weather (well actually, it has reliably been pretty rubbish weather for summer). We are very grateful to Gemma G who stepped up to organise the event and all the volunteers who helped to plan at meetings prior to the event, shopped, organised, rallied others to help, set up, sold and cleared away. THANK YOU. The expenses are currently being accounted for and as soon as we have a final amount, we will let you know what we raised. The summer fair is the biggest fundraiser of the school year, without which, we would not be able to fund many of the year group enrichment activities that take place or the additional resources to be purchased – thank you for supporting it.
