Equality, Diversity and Inclusion focus: in the Spring term we focused on gender and disability as two protected characteristics. This term our focus is race. In our first assembly we have talked about race being a word used to group people together who have a similar skin tone. We have talked about melanin being the reason that people have different shades/tones of skin, and sometimes having similarly shaped lips, hair or eyes too (physical traits). We have thought about culture being the way we do things together and ethnicity being about shared cultural experiences. These are all aspects that we will be continuing to explore over the course of this term. We will be going on to talk about being happy in our own skin, what racism is, equality and being up standers in our community. KS2 will also be looking at influential people related to race.

Multi-Purpose Consent Form: We have revised our Multi-Purpose Consent Form for parental/carer permissions. To ensure that all of our records are up to date could you please click on the following link and fill out for each child within the school that you have parental responsibility for. We are doing this for reception up to year 5. Year 6 has been recently updated for residential purposes. <https://forms.gle/HrbKtFbSG7eW3T8HA>. We would like to get these updated as soon as possible so your support in this matter would be appreciated. The deadline for completion is Wednesday 1 May.

Epic Clubs: Bookings for the second half of the Summer Term (June-July) will go live on School Gateway at 3pm next Monday, 29 April.

Maths Together Sessions: This term we will be holding Maths Together Workshops for Reception to Year 5. These sessions will last around 40 minutes and follow a similar format to the reading/spelling sessions held in the Autumn Term. For the first 5-10 minutes a teacher from the year group will talk about how you can support your child at home with maths. After this, the children will join you to play four different games that can also be played at home to help them in their learning.

The dates are:
